

MD-EH

MASTER DIPLOMA IN ELECTRO-HOMOEOPATHY

M.D. Homoeopathic (Materia Medica) is a course that deals with the encyclopedia of therapeutic properties of each drug. Drug proving is the basic source of Materia Medica through which, drugs who have found a place in Materia Medica are known for their symptomatology and new drugs are known for their symptomatology, Physical and Mental presentation. Drug proving is carried out by the methods described by Hahnemann in his Organon of Medicine. The other sources of reports in Homoeopathic Materia Medica are:
