

CMS & ED

Diploma in Community Medical Service and Essential Drugs

CMS & ED diploma is known as diploma in Community Medical Service & Essential Drugs (CMS & ED). It is a diploma for Primary Health by general allopathic medicines which is recommended by World Health Organization (WHO) for primary health care. The Hon'ble Supreme Court of India has given an order that CMS Diploma holders can give treatment for all diseases including infectious diseases.

This course is not for fresher students. This course is for those medical staff practitioners who have been working in a hospital or nursing home, etc., for about two to ten years. And if they want to open their own clinic somewhere else, then this course is for them.
